

Make-up Designory's Campus Security Report – New York

Make-up Designory is providing the following information to all of its employees and enrolled students as part of the school's commitment to safety and security pursuant to the requirements of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. If you have any questions about any of the information provided in this report, please contact the School Director, Carmen Hendrickson, Make-up Designory, 375 West Broadway Suite 202 10012 (212)- 925- 9250

Preparing and Reporting the Annual Disclosure of Crime Statistics –

In accordance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the school director prepares this report in cooperation with the local law enforcement agencies surrounding our main campus and off campus facilities. Campus crime, arrest and referral statistics include those reported to the school director and local law enforcement agencies. This report is distributed to every enrolled student and employee on an annual basis. Enrolled students receive a copy of this report with their enrollment paperwork. Faculty and staff receive the report in their mailbox or in their new employee packet. Copies of the report may also be obtained by enrolled students, prospective students, faculty, staff, or prospective employees by contacting Angelique Velez, Director of Career Services at (212) 925-9250.

Make-up Designory does not offer on campus housing nor does this institution recognize any off-campus student organizations that would be covered under this report

Access Policy –

The school is open to students, parents, employees, contractors, guests, and invitees Monday through Friday, 8am to 6pm. The MUD Shop is open Monday through Friday, 9am – 7pm and on Saturday, 10am – 5pm. During non-business hours, access to all school facilities is by key, if issued.

Campus Crime Prevention and Security Awareness -

Students and employees are informed about campus security and crime statistics before initial attendance or employment. Crime prevention and security awareness programs are not offered by the school. A common theme of all crime prevention and security awareness programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The following should be considered:

- When walking on or around campus, be aware of who and what is around you. Try not to walk alone and avoid secluded pathways and alleyways.
- Do not carry large amounts of cash.
- Always lock your car and remove all packages and any valuables.
- Do not leave supplies, books or personal property unattended.

Timely Warnings – Campus Crime Alert

The purpose of a timely warning is to alert the campus community of an occurrence of a crime that poses an ongoing threat to the campus community and to heighten safety awareness of students and employees in a manner that will aid in the prevention of similar crimes. Make-up Designory initiates contact with the New York City Police Department 1st Precinct to ensure that we are aware of criminal offenses and arrests occurring on or near the campus so that they can be properly reported, and if necessary, provide for a campus crime alert. In the event that a situation arises, either on or off campus, that, in the judgment of the school director, constitutes an ongoing or continuing threat, a Campus Crime Alert will be issued. The alert will be issued in writing by the school director to students and employees. The alert will be disseminated in class to students, put in employee mailboxes and will be posted in the student library. Anyone with information warranting an alert should report the circumstances to the School Director, Carmen Hendrickson, by phone (212) 925-9250 or in person at the administrative offices located at 375 W. Broadway Suite 202 NY , NY 10012.

Reporting of Criminal Offenses and Emergencies

Students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents accurately and in a timely manner. Any suspicious activity or person seen in the parking lots, loitering around vehicles or inside buildings should be reported to the New York City Police Department 1st Precinct (212) 334-0611. In addition, you are encouraged to also report the crime to the School Director, Carmen Hendrickson, or other authorized school personnel, at (212) 925-9250. To ensure accurate and prompt reporting of all crimes, the authorized school personnel will take a full written statement from the involved parties and witnesses at all reported emergency or criminal incidents.

The written statements are included a part of a written report, and such statements may be used by campus security personnel and local/state law enforcement authorities for the purpose of criminal apprehension and/or crime prevention. The institution's administrative staff for the purpose of disciplinary action may also review criminal incidents.

Emergencies should be reported directly to the New York City Police Department 1st Precinct at (212) 334-0611 or by calling 911. Make-up Designory does not have pastoral or professional counselors available.

Voluntary Confidential Reporting Procedures –

If you are the victim of a crime and do not want to pursue action within the school system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the school director can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the school can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Campus Law Enforcement –

Make-up Designory does not have security personnel or campus police. The purpose and authority of campus personnel is limited to securing the premises and protecting the facility. The enforcement authority of campus personnel is limited to the enforcement of campus rules and regulations. Incidents that go beyond the scope of campus personnel are referred to and investigated by the local enforcement agency (as applicable).

It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or place open to the public is illegal. Students and employees are required, as a condition of enrollment and/or employment, to abide by this policy. To the extent allowed by local, state and federal laws, this institution will impose disciplinary action against students and employees for violating these standards of conduct. These actions may include suspension, expulsion, termination of employment, referral for prosecution and/or required completion of a drug or alcohol rehabilitation or similar program.

Employees, as a condition of employment, are required to provide written notice to this institution of their conviction for a criminal drug offense occurring at the workplace within five calendar days after the drug offense.

Weapons are not allowed on campus at any time. Weapons include but are not limited to firearms, tasers, knives, pellet guns, BB guns, batons or brass knuckles.

Sexual Assault Prevention, Policy and Procedures –

Make-up Designory's School Services Department educates its students about sexual assault and date rape on their first day of class. Literature on sexual assault prevention is provided to each student. Additional Sexual assault prevention information is available online through U.S Department of Health and Human Services at: <http://www.4woman.gov/FAQ/sexualassault.htm> or contact the National Women's Health Information Center at (800) 994-9662.

Victims of sexual assault or rape should follow these recommended steps:

- 1) Go to a safe place.
- 2) Contact someone who can help you, a friend, the police, a relative, anyone you can trust.
- 3) If you plan to make a police report, do not shower, drink, eat, douche, urinate, or change your clothes. If you must urinate, try to capture the urine in a plastic or glass cup for evidence testing. If you must change clothes, put the items in separate paper bags to be used in evidence testing. Do not use plastic bags; they contaminate evidence. Try not to disturb the scene, if the assault occurred in your residence.

Should a student be sexually assaulted, it is the student's option to notify the appropriate law enforcement authorities including on-campus officials and local police. At the student's request, institutional personnel will assist the student in notifying the proper authorities.

To report the assault to the local police, call 911. Make-up Designory does not have on-campus services available. It is recommended that victims call a rape crisis center.

Rape Crisis Centers:

- ◇ Bellevue Hospital Center : Sexual Assault Response Team SAFE Center 462 First Avenue .CD Building, Room CD408 .New York, NY 10016. (212) 562 3435

- ◇ Mount Sinai Sexual Assault and Violence Intervention Program 1 Gustave Levy Place, Box 1670 .New York, NY 10029 (212) 423-2146

Victims are strongly encouraged to call the police and report the rape. Remember that time is a critical factor for evidence collection and preservation. Reporting the rape to the police is up to the victim. It is important to remember that reporting a rape is not the same as prosecuting a rape. At the victim's request, the school will assist in identifying off-campus counseling or mental health services.

Any sexual assault should be reported directly to the School Director, Carmen Hendrickson. Filing a report with the school official will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from school officials. At the student's request, school personnel will assist the student in notifying the proper authorities.

Disciplinary Action and Sanctions –

Disciplinary action and sanctions will be taken in cases of an alleged sex offense. Both the accuser and the accused are entitled to have others present during a disciplinary proceeding. Both will be informed of the outcome of any institutional disciplinary proceeding that is brought alleging a sexual offense. For the purpose of this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged sexual offense and any sanction that is imposed against the accused. Sanctions, which may be imposed following the final determination of a disciplinary proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sexual offenses, may include warning, probation, suspension or termination.

Sexual Offender Registration –

Megan's Law is known as the Sexual Offender (Jacob Wetterling) Act of 1994, provides the public with certain information on the whereabouts of sex offenders so that members of our local communities may protect themselves and their children.
