7. Number of Degrees, Diplomas or Certificates Awarded? Indicate the number of students who completed the program during the reporting year.

8. Total Charges for this program? Indicate the total charges for a student to complete the program within 100% of the program length. If the total charges fluctuated during the reporting year, indicate the highest amount charged for this program during the reporting year. Total

charges include all amounts paid for the program. It includes books, uniforms or other charges if those charges are for costs that are required for participation in the educational program.

9. The percentage of enrolled students in the reporting year receiving federal student loans to pay for this program. Indicate the percentage of students enrolled in this program who received federal student loans to pay for this program. Divide the total number of students enrolled in this program, who received federal student loans to pay for this program, by the total number of students enrolled in this program.

10. The percentage of graduates in the reporting year who took out federal student loans to pay for this program. Indicate the percentage of graduates from this program, who received federal student loans to pay for this program. Divide the total number of reporting year graduates from this program, who took out federal student loans to pay for this program, by the total number of graduates from this program.

11. Number of Students Who Began the Program? Indicate the number of students who were scheduled to complete the program in the reporting year, exclude all students who cancelled during the cancellation period, 5 CCR §74112(d)(1). If the institution has a main campus with branches and/or satellites provide the total number enrolled at all locations.

12. Students Available for Graduation? Indicate the number of students available for graduation for the program being reported. This number should be the number of students who began the program (#11 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g)).

13. On-time Graduates? Of the students available for graduation (#12 above), indicate the number of students who completed the program within 100% of the published program period within the calendar year being reported (5 CCR §74112(d)(2)).

14. Completion Rate? Indicate the number of graduates (from #13 above) divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (CEC §94929(a), 94928(f) & (g), and 5 CCR §74112(h)).

15. 150% Completion Rate? If the institution tracks 150% completion rate, indicate the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (5 CCR §74112(h)(l)).

16. Is the above data taken from the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? Indicate "yes" if the information was taken from the data that was reported to IPEDS; Indicate "no" if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.

7. Number of Degrees, Diplomas or Certificates Awarded? Indicate the number of students who completed the program during the reporting year.

8. Total Charges for this program? Indicate the total charges for a student to complete the program within 100% of the program length. If the total charges fluctuated during the reporting year, indicate the highest amount charged for this program during the reporting year. Total

charges include all amounts paid for the program. It includes books, uniforms or other charges if those charges are for costs that are required for participation in the educational program.

9. The percentage of enrolled students in the reporting year receiving federal student loans to pay for this program. Indicate the percentage of students enrolled in this program who received federal student loans to pay for this program. Divide the total number of students enrolled in this program, who received federal student loans to pay for this program, by the total number of students enrolled in this program.

10. The percentage of graduates in the reporting year who took out federal student loans to pay for this program. Indicate the percentage of graduates from this program, who received federal student loans to pay for this program. Divide the total number of reporting year graduates from this program, who took out federal student loans to pay for this program, by the total number of graduates from this program.

11. Number of Students Who Began the Program? Indicate the number of students who were scheduled to complete the program in the reporting year, exclude all students who cancelled during the cancellation period, 5 CCR §74112(d)(1). If the institution has a main campus with branches and/or satellites provide the total number enrolled at all locations.

12. Students Available for Graduation? Indicate the number of students available for graduation for the program being reported. This number should be the number of students who began the program (#11 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g)).

13. On-time Graduates? Of the students available for graduation (#12 above), indicate the number of students who completed the program within 100% of the published program period within the calendar year being reported (5 CCR §74112(d)(2)).

14. Completion Rate? Indicate the number of graduates (from #13 above) divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (CEC §94929(a), 94928(f) & (g), and 5 CCR §74112(h)).

15. 150% Completion Rate? If the institution tracks 150% completion rate, indicate the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (5 CCR §74112(h)(l)).

16. Is the above data taken from the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? Indicate "yes" if the information was taken from the data that was reported to IPEDS; Indicate "no" if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.

charges include all amounts paid for the program. It includes books, uniforms or other charges if those charges are for costs that are required for participation in the educational program.

9. The percentage of enrolled students in the reporting year receiving federal student loans to pay for this program. Indicate the percentage of students enrolled in this program who received federal student loans to pay for this program. Divide the total number of students enrolled in this program, who received federal student loans to pay for this program, by the total number of students enrolled in this program.

10. The percentage of graduates in the reporting year who took out federal student loans to pay for this program. Indicate the percentage of graduates from this program, who received federal student loans to pay for this program. Divide the total number of reporting year graduates from this program, who took out federal student loans to pay for this program, by the total number of graduates from this program.

11. Number of Students Who Began the Program? Indicate the number of students who were scheduled to complete the program in the reporting year, exclude all students who cancelled during the cancellation period, 5 CCR §74112(d)(1). If the institution has a main campus with branches and/or satellites provide the total number enrolled at all locations.

12. Students Available for Graduation? Indicate the number of students available for graduation for the program being reported. This number should be the number of students who began the program (#11 above) minus the number of students who have died, been incarcerated or been called to active military duty (CEC §94928(f) & (g)).

13. On-time Graduates? Of the students available for graduation (#12 above), indicate the number of students who completed the program within 100% of the published program period within the calendar year being reported (5 CCR §74112(d)(2)).

14. Completion Rate? Indicate the number of graduates (from #13 above) divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (CEC §94929(a), 94928(f) & (g), and 5 CCR §74112(h)).

15. 150% Completion Rate? If the institution tracks 150% completion rate, indicate the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation (#12 above). A "rate" is a percentage and should never be more than 100% (5 CCR §74112(h)(l)).

16. Is the above data taken from the Integrated Postsecondary Education Data System (IPEDS) of the United States Department of Education? Indicate "yes" if the information was taken from the data that was reported to IPEDS; Indicate "no" if it was not. If this institution does not participate in Title IV financial aid programs it most likely does not report to IPEDS.
